

FALL REGISTRATION

Fall Session with the Mathematics Olympiad

Registration for **The Math Club of Lexington's** Fall 2020 Session is now open! Our program focuses on a single objective: to build your student's confidence in and competency for math. Our Fall Session will be 100% remote. Classes begin the week of September 7, 2020! Our curriculum develops problem-solving skills and hosts the 2020-2021 International Mathematics Olympiad for Elementary and Middle School students. Details are:

1. **14-Weeks of Problem Solving Techniques:** Every week our students receive 15 classroom problems and 15 homework problems. The materials are leveled to engage all students: Level 1, targeted at grades 3-5; Level 2, targeted at grades 6-7; and Level 3, targeted at students in the 8th grade. Most students attempt all levels!
2. **Weekly Online Classes with Additional Problems:** Mr. Gill will host weekly 45-minute instructional classes. Each class will feature a theme, e.g. triangle geometry or order of operations.
3. **Weekly TA Study Groups:** Our high school TAs, who were the Club's best students, offer weekly 45-minute TA Study Groups. These Groups are interactive informal sessions during which your student can work on Classroom or Homework problems in small groups.
4. **2020 – 2021 Mathematics Olympiad.** The Mathematics Olympiad Competition is administered annually in five sections, one per month from November 2020 to March 2021. The first two sections, November and December, will be administered to all students enrolled in our Fall 2020 Session.

Class Schedule

Monday	Tuesday	Wednesday	Thursday
4:00 – 4:45 pm (E)	5:00 – 5:45 pm (E&M)	4:00 – 4:45 pm (E)	5:00- 5:45 pm (E&M)
7:00 – 7:45 pm (E&M)	7:00 – 7:45 pm (E&M)	7:00 – 7:45 pm (E&M)	7:00 – 7:45 pm (E&M)

E = Suited for Elementary Students M = Suited for Middle School Students

Course Fee: \$465 per student, or \$33/week. \$5 discount for each additional registered sibling.

Registration: Classes run from the week of September 7, 2020 to the week of December 14, 2020. Class size is limited. To register, fill out and return this form to TheMathClubLexington@gmail.com.

Payment: Due to the pandemic, all tuition payments must be made through our QuickBooks electronic payments (e.g. credit card, debit card or EFT). Once we receive your registration, you will receive an email invoice for your student's tuition. All convenience fees are waived. If this online payment presents a hardship for your family, please contact us.
